CÔTE DE BROUILLY

Nicole & Romain
CHANRION
Vignerons sur les versants du Mont Brouilly

We are situated right at the heart of the vines on the slopes of Mont Brouilly, where we run our small family estate which has been passed down through eight generations.

We work passionately with the utmost respect for the environment, our constant aim being to produce a high-quality grape while preserving the terroir.

Our wines combine tradition and modernity through the collaboration of two generations, offering unique high-quality vintages.

Nicole Chanrion has been committed to the CÔTE DE BROUILLY appellation for many years. The « Nicole Chanrion » signature is a style, refined and delicate, with well-rounded wines, silky with a marvelous structure which offers an ageing potential.

Romain Chanrion, who joined the estate after engineering studies, is committed to respecting the environment and enhancing the value of the Côte de Brouilly terroirs, by offering specific plot selections (Cuvée Empreinte) and other forms of expression of the Gamay grape variety, such as « White Perle de Gamay » and Effervescence.

We will be delighted to welcome you to our estate to show you how we make our wine and to share it with you during a tasting of our range.

*We are committed to
Preserving nature
Protecting people
And cultivating our vines*

Perle de Gamay blanc • Côte de Brouilly • Effervescence
